"Questetra BPM Suite" (Cloud-based Workflow product) that provides delivery of Business data on Cloud, is equipped "Enterprise Social Network feature" as a standard. It makes the Users feel free to make advice regarding business data, and to share 'URL' or 'Images'.

In the new version 9.4, "Sticker" that helps to express User's emotion easily on the "Enterprise Social Network feature" is available. For example, when a delivery of goods has been successfully accepted, the project member can actively originate their feelings. It will promote the sharing of emotions that have been difficult by conventional internal e-mail or the report.

Questetra BPM Suite

The Business process 'To-Be' is changing along the changes in the business environment day by day. "Questetra BPM Suite" is a cloud-based workflow product which has a great feature of the flexibility to change the flow of the business.

- "Modeling feature", can build a Business System in non-programming
- "Operating feature", each worker can input their deliverables
- "Enterprise Social Network feature", good for sharing internal information
- "Monitoring Feature", visualizing progress and records; etc.

Aggressive improvement on the Flow of Business (Business Process) will be available because it visualizes the bottlenecks and Business challenges. You can take advantage of it for free of charge if your organization is up to 5 people. You do not need Programming knowledge nor Server Operational knowledge. In addition, the method of drawing business flow diagrams is in compliance with international standard notation, BPMN. (Other features: PDF Auto-generation, Data calculation, Google Apps connectivity, Multiple language, Open API, etc.)

The screenshot shows the Questetra BPM Suite interface. At the top, there are navigation tabs for 'BPM Suite', 'Workflow', and 'Task Feed'. A search bar is labeled 'Find by Process ID'. The main area displays 'My Tasks(34)' with a table of tasks. The table has columns for 'Detail', 'Process Model', 'Category', 'Task Name', and 'Title'. A dropdown menu is open over the 'Task Name' column, showing options like 'Sort Ascending', 'Sort Descending', 'Columns', 'Group By This Field', and 'Show in Groups'. A large red text overlay reads 'Your Tasks To Do!'. On the left side, there is a sidebar with a user profile for 'IMAMURA' and buttons for 'Start', 'My Tasks (34)', 'Offered Tasks', 'Error Tasks', 'Operated Tasks', 'Started Processes', and 'All Processes'.
