DataSpider BPM suite (EAI-BPM Software)

"DataSpider BPM suite", a BPM software with Data integration function, is a product which is combined "Questetra BPM Suite" a SaaS BPM of Questetra, and "DataSpider Servista", a EAI software of APPRESSO. It will allow processing the operations such as Decision making, Claim and Request, Drafting, Complaint handling, following the default procedure. Also you will be able to connect project data which has been entered, into the core system automatically, after processing and aggregating. In addition, you can configure the Business Process and Data Connection totally without programming, so that you can continue to change the Business system freely to match the changes in your business environment. DataSpider BPM suite is co-developed by Questetra and APPRESSO, and is sold by APPRESSO and their distributors.

- May 21, 2010: DataSpider BPM suite version 1.0
- Nov 30, 2010: DataSpider BPM suite version 1.1
- Jun 6, 2011: DataSpider BPM suite version 1.2
- May 29, 2012: DataSpider BPM suite version 2.0
- Apr 4, 2013: DataSpider BPM suite version 2.1

Questetra BPM Suite (BPM Tool)

"Questetra BPM Suite" is a Cloud-based Workflow. You can build and adjust your Business Processing system by drag and drop placement of processing steps. It is standardly equipped Monitoring feature for business progress, Aggregating feature for performance, and Enterprise Social Networking feature for smooth communication, and it allows visualizing the full range of internal operations. You can start the Free Trial Edition in the same day.

DataSpider Servista (EAI Software)

DataSpider Servista is software that automates Data Connection Processing without programming. It allows to collect, to combine, and to convert 'Business data' which is scattered in various formats such as Excel files or DB system, by configuring the processing of data with Drag and Drop. It totally automatizes complicated operations such as for example, Synchronization of customer master data, or Aggregation of order information and stock information.

EAI Adapters
